

KAILA CHARVY

Electrical & Electronics Engineering • NIT Nagaland
charvydarshan1429@gmail.com • +91 9398563306 • Registration No. 2024103383

PROFILE

B.Tech Electrical & Electronics Engineering student interested in electrical systems, robotics, cybersecurity, simulation and creative technology. Experienced in project work, industrial exposure, leadership, communication and practical experimentation.

EDUCATION

National Institute of Technology Nagaland — B.Tech, Electrical & Electronics Engineering | 2024–2028 | CGPA: 8.9

V.S. St. Johns Higher Secondary School — 12th Grade: 82% | 10th Grade: 91%

PROJECTS & TRAINING

AI-Based Cybersecurity Threat Detection — Ongoing training/project using Python, XGBoost, FastAPI and Flutter to classify network activity as benign, suspicious or malicious.

RC Car — Hands-on robotics project focused on motor control, embedded integration and practical debugging.

Engineering Internship — Visakhapatnam Steel Plant — 4 weeks of exposure to electrical systems, industrial operations, heavy electrical equipment, maintenance and safety.

TOOLS & TECHNICAL SKILLS

C, Python, MATLAB, Simulink, Multisim, Google Colab, FreeCAD, Flutter/Dart, MS Word, PowerPoint, Excel, Canva, CapCut; Electrical Machines; Power Systems (Basics); Cybersecurity; Robotics.

LEADERSHIP & INVOLVEMENT

Secretary — Chroma & Publications Club; Class Representative — EEE Branch; Member — IEEE; Volunteer — IEEE Conference, NIT Nagaland; Volunteer — Science Exhibition, NIT Nagaland.

WORKSHOPS & PARTICIPATION

Next Generation Technology for Energy Sustainability & Climate Resilience — ANRF, NIT Silchar; 3D Printing Workshop — NIT Nagaland; Agentic AI Saksham — 3-day program, Kohima Science College, Jotsoma, 7–9 May 2026; Cybersecurity Threat Detection — ongoing training.

ACHIEVEMENTS

First prize — CBSE secondary school story writing & narration; First prize — interschool essay competition conducted by Airport Authority of Vijayawada; First prize — interschool speech & debate competition; Third prize — school animation competition.

LANGUAGES & STRENGTHS

Languages: Telugu, English, Hindi, French, Tamil. Strengths: Robotics, Leadership, Project Management, Multilingual Communication, Public Speaking, Writing & Storytelling.
